

DIT-MCO Builds Cables

Here's how easy it is to get a quote!

Instructions for Cable Quotes or Orders

1. Describe connectors using mfg's name and part no.
2. Specify backshell (if needed) using mfg's name and part no.
3. Indicate connection type(s), pins or sockets, and quantity.
4. Sketch cable layout with dimensions.
5. Fill out cable specifications below.
6. Let us know number of cables needed and delivery date.
7. Fax to (816) 444-9737 or mail to address below.

If you do not have the connector information, please provide the part number of the mating connector.

DIT-MCO Connector Types

Name	Part No.
Double D Series 9500/2500	025-04623-0003
Series 2000 Ribbon	025-01578-1150
Series 2000 Discrete	025-01216-0001
156 Pin ZIF	025-01225-0005

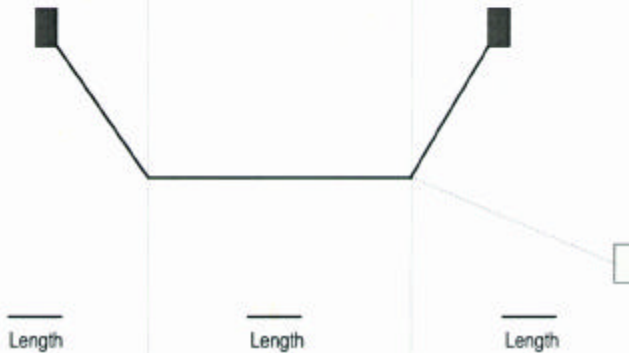

Connector Types: Crimp, IDC, Solder
